Section II: Object of the design contest/description of the project

II.1) Description

II.1.1) Title attributed to the design contest/project by the contracting authority/entity:
12307 UiO Life sciences building H001 Project Planning and design competition

II.1.2) Short description:
Statsbygg invites in connection with project number: 12307 Life Science building
— Project Group (PG)

Interested parties that are interested to apply for participation with the restricted planning and design competition for a new research and education building for life science, chemistry and pharmacy studies at the University of Oslo.

The Ministry of Education and Research has given the assignment of planning a new research and education building for life science, chemistry and pharmacy studies at the University of Oslo. Statsbygg's assignment runs through to the finished sketch of the project, but the Ministry of Education and Research aims at providing Statsbygg the assignment to lead the project until the pilot project. If the Norwegian Parliament shall allocate the necessary funds for the completion of the project is still unclear. On the completion of the pilot project, shall the project go through external quality assurances before any decision in the Norwegian Parliament regarding the funding and decision implementation.

The Ministry of Education and Research has within its assignment letter provided that the project shall be implemented within a gross area at approximately 66 700 sqm GFA ex. parking.
